MEMORANDUM FOR: Deputy Director of Security (PPS)

**SUBJECT : Action Memorandum No. 25
(IG Survey of Personnel Security)**

1. After reviewing the IG Survey Report of the Agency's personnel security program dated 10 October 1963, the Director of Security requested that certain actions be taken.
2. Accordingly, you are asked to explore the ways and means in which PSD, in particular, and the Office of Security, in general, could assert more control in the approval of new employees for assignment to overseas duties. The IG Report implied that perhaps a system should be introduced under which no Agency staff employee is allowed to go overseas on a PCS basis until twelve months have elapsed from his EOD. Another possibility is that a special indoctrination program be introduced for the very young and/or very inexperienced person going overseas.
3. Your recommendations on this matter would be appreciated. A deadline of 2 December for these responses has been set.
